His life began to change on July 6, 2012, when he was touched by a supernatural encounter. While looking at the Bank of England in the square mile City of London, England, he was engulfed in a brilliant white light. He stood frozen with tears dripping down his cheeks as he clearly heard: you have been controlled by the same spirit that controls the City of London - the spirit of mammon. It will begin to come off of you. As it does, it will begin to come off the City of London. Rich looks at how the power of money has affected his life.
