Solution: Docrates, a simple journal to organize the most important questions and answers from each doctor visit. A resource to assure you that it is good to ask, to be answered, and to be understood. The name Docrates was inspired by Socrates, a Greek philosopher known for his method of inquiry and discussion between individuals, based on asking and answering questions to stimulate critical thinking and to illuminate ideas. Doctor + Socrates = Docrates Use Docrates at your doctor visits to ask questions and remember answers.
