The Butterfly Dreams

By Peter Kline, Syril Kline

Great Ocean Publishers, U.S. Paperback. Book Condition: new. BRAND NEW, The Butterfly Dreams, Peter Kline, Syril Kline, Exploring the enigmatic terrain at the crossroads of Science and Religion, "The Butterfly Dreams" takes flight into the very heart of existence. Though brilliantly successful at business, a master of his game, Noah Gershom, lives a life almost entirely devoid of meaning. Nevertheless, it is he who is chosen to complete an urgent mission with timeless human consequences. He awakens - one baffling moment - on a strange craft, in the company of a mysterious fellow traveler on a puzzling journey through time, space, matter, and light. "The Butterfly Dreams" is a mystery, a love story and a searching inquiry into our deepest questions: the origin of consciousness, the fiction of matter, the truth of dreaming, the eternal paradox at the center of being - and ultimately: how to live on our benevolent, but fragile planet, in our vast and thinking universe. It's an illuminating glimpse of Divinity to which Science so eloquently points the way.
