Beyond Cotton: Making by Hand: Sew, Print, Stamp, Dye and Paint

By Krista Fleckenstein

Lucky Spool Media. Paperback. Book Condition: new. BRAND NEW, Beyond Cotton: Making by Hand: Sew, Print, Stamp, Dye and Paint, Krista Fleckenstein, Mixed Media goes graphic, minimal and sophisticated. Go beyond commercially available materials and get your hands dirty! Create your own modern substrates through Krista's interactive project-based sewing workshops. Readers will stitch up 18 designer projects while experimenting with ways to stamp, print, paint, dye, and embellish fabrics to use for unique projects to gift and keep. Beyond Cotton will take modern crafters and sewists beyond the world of commercially available fabrics by encouraging readers to work with different, but readily available materials like leather, rivets, and industrial-grade felt. Create a Leather Cuff in three ways: Stitched, Carved or Stamped; learn to create design repeats; set up a home printing table and experiment with dyeing fabrics. Krista encourages readers to break out of what is offered and to take ownership of their work from start to finish. This book is packed with skill-building techniques and crafty inspiration! "

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Brennan Koelpin**

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
