Zondervan. Hardback. Book Condition: new. BRAND NEW, Andi Under Pressure, Amanda Flower, Twelve-year-old Andora 'Andi' Boggs and her new best friend Colin Carter couldn't be more excited to attend the prestigious science camp at the local university in Killdeer, Ohio. Unfortunately, Discovery Camp's curriculum appears to include much more than just chemistry and biology. From day one, the university is plagued by a series of pranks-missing markers, loose crickets, and stolen scales. Campus security blames the mysterious janitor Polk, but even though Andi agrees he's acting suspicious, she can't believe the gentle old man would do anything illegal. Then one prank goes too far and their chemistry professor is injured by an explosion in the lab, upping the stakes of the investigation. Andi and Colin must unravel the secrets behind the chemistry department and Polk's dark past before danger closes the camp for good. Praise for the series: 2013 Agatha Award Nominee "In the upstanding tradition of Nancy Drew and Harriet the Spy, Andi is spunky and unafraid to take risks" - Booklist "A fun little detective story with some simple life lessons." - Kirkus Reviews "Flower creates a cast of memorable characters and a colorful, historically detailed setting." - Publishers Weekly.
