Polity Press. Paperback. Book Condition: new. BRAND NEW, The Prime Minister in a Shrinking World, Richard Rose, In the days when Winston Churchill and Clement Attlee faced each other in the House of Commons, there was disagreement about whose hands should be on the Mace, the symbol of power at Westminster. Everyone assumed that the hands on the Mace would be British. In the past half century, the Prime Minister's power at Westminster has increased greatly, but it has diminished in the worlds beyond. In Westminster, the Prime Minister is now first without equal. But in councils of the European Union, he or she is only one among fifteen national leaders. In a shrinking world the chief issues facing Downing Street today are a intermestica , an amalgam of domestic politics and international concerns. Tony Blair may say that he is batting for Britain, but cricket skills are no match for an American president playing hard ball, and policy--making in the European Union is definitely not cricket. In an era of television politics, the faces and voices of Margaret Thatcher and Tony Blair are familiar to every voter, and the press cooperates in turning politicians into media celebrities. But what you see on the box is politics; it has little to do with the policies of British government. Old--school leaders such as Harold Macmillan devoted as much time to policy as to politics. But new--style prime ministers put politics first. Tony Blair wants to speak for all the British people, but the result is a managed populisma , for his voice travels down a one--way street. In Whitehall, Blair's Third Way blunts the cutting edge of policy, leaving officials puzzled about what to do when hard choices arise, especially about Europe. Anyone interested in politics and current affairs,...
