

Community Destination Management in Developing Economies

By Kaye Sung Chon, Walter Jamieson

Taylor Francis Inc, United States, 2006. Paperback. Book Condition: New. 211 x 150 mm. Language: English . Brand New Book. The practical, user-friendly guide to creating a sustainable future for destinations in developing economies Community Destination Management in Developing Economies is a user-friendly guide that provides a comprehensive view of the issues facing planners, policymakers, and destination managers who attempt to ensure a sustainable future for community destinations in developing economies. Travel and tourism experts from a wide range of disciplines discuss illustrative case studies and effective practical approaches for various facets of destination management. This book explains in detail the complex task of destination management, making the needed basic knowledge and skills understandable to all readers. Community Destination Management in Developing Economies is divided into three sections. The first section provides a basic introduction to community tourism destination management with a special emphasis on community participation and practical case studies. The second section reviews the basic tools essential for managing destinations, such as Environmental Impact Assessments (EIA), Geographic Information Systems (GIS), remote sensing technologies, good governance, and carrying capacity. The final section provides a wide range of illuminating case studies designed to illustrate both the conceptual issues discussed in...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
