HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, You Can't Lie to Me: The Revolutionary Program to Supercharge Your Inner Lie Detector and Get to the Truth, Janine Driver, No machine built to date has proven more effective than a well-trained human lie detector, says world-renowned body language expert Janine Driver, a former federal law enforcement investigator who has trained agents at the ATF, CIA, and FBI. Today, Driver teaches people like you to supercharge your internal BS Barometer quickly and accurately so you can protect yourself from liars and manipulators. You Can't Lie to Me will change the way you look at job applicants, coworkers, dates, salespeople, money managers - anyone from whom you want and deserve the truth - while simultaneously strengthening and deepening your relationships with your siblings, children, friends, and lovers. Driver distills nearly two decades of behind-the-scenes knowledge, cutting-edge science, and relatable case studies into a simple, powerful five-step program. Whether it's with your teenager, spouse, mechanic, or fellow board member, and whether you are communicating face-to-face or through phone calls, e-mails, texts, Facebook posts, or handwritten notes, you will have all the tools and confidence you need to spot deception. More important, you will recognize the truth as you build the caring, authentic connections that make life worth living.
