Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What happens when a slightly off-kilter uncle sends you a used metal detector with instructions to check your back yard? Can a garage move from your neighbor's yard to your yard all by itself? Or did it need a bit of help? If you're out driving in the middle of a dark and lonely Kansas night, should you stop for a holdup gang--or should you try to run them over? How much trouble can you buy with a baseball card? Can you trade it for something you want back in your life? What kind of trouble comes with trying to salvage the guns from a crashed airplane in a war zone? Do some people just have to tell tall tales about themselves, or are they hiding a much bigger secret by covering it with lies? What should you do when you find a murder victim at a public event? Will the cops think you are the murderer? All of these questions are answered--but maybe not the way you expect--in the pages of Son of a Grit, Volume VIII.I.
