Berkley Books, United States, 2015. Paperback. Book Condition: New. Reprint. 170 x 104 mm. Language: English . Brand New Book. She may be thirty-fifth in line for the throne, but Lady Georgiana Rannoch cannot wait to ring in the New Year before a Christmas killer wrings another neck On the first day of Christmas, my true love gave to me well, actually, my true love, Darcy O Mara, is spending a feliz navidad tramping around South America. Meanwhile Mummy is holed up in a tiny village called Tiddleton-under-Lovey with that droll Noel Coward! And I m snowed in at Castle Rannoch with my bumbling brother, Binky, and sourpuss sister-in-law, Fig. So it s a miracle when I contrive to land a position as hostess to a posh holiday party in Tiddleton. The village is like something out of A Christmas Carol ! But no sooner have I arrived than a neighborhood nuisance, a fellow named Freddie, falls out of a tree dead. On my second day, another so-called accident results in a death and there s yet another on my third. Perhaps a recent prison break could have something to do with it that, or a long-standing witch s curse. But after Darcy shows up beneath the mistletoe, anything could be possible in this wicked wonderland. Includes an English Christmas companion, full of holiday recipes, games, and more!.
