So Patrick is left alone to look after the ailing Devonshire monkey sanctuary that he and Jane took on in a bid to save their marriage. Alone, that is, but for the big, panther-like cat that preys around the park, evading capture, lurking in the shadows and in the back of Patrick's mind as he tries to uncover the truth behind the murder of their oldest female primate. Patrick's fears begin to fade. But then one night something happens that is so shocking, so deplorable, that it rips apart everything he ever held to be true - and unleashes a horror he could never have imagined.
