Open University Press. Paperback. Book Condition: new. BRAND NEW, A Beginner's Guide to Critical Thinking and Writing in Health and Social Care (2nd Revised edition), Helen Aveyard, Pam Sharp, Mary Woolliams, Ever struggled to write a critical essay? Ever wondered what critical thinking actually is and how you can apply it in your academic work and practice? This bestselling guide takes you through every stage of becoming a critical thinker, from approaching your subject to writing your essays or dissertation in health and social care. Each chapter tackles a different aspect of critical thinking and shows you how it's done using examples and simple language. Beginning with an overview of the importance of critical thinking, the book goes on to cover: How to think critically about different types of information as potential evidence, including books, journals, articles, websites, and, new to this edition, social media How to demonstrate critical thinking in written work and presentations How to adopt critical thinking in practice Updated with more references to online resources and critical appraisal tools, this fully revised second edition includes: The key tool 'Six questions for critical thinking' which will assist you in developing your skills for academic work and practice - updated for this edition in response to student evaluation An expanded worked example of critical analysis New exploration of the connection between theory and practice This book is an essential purchase for students and qualified healthcare staff alike and was highly commended in the BMA Medical Book Awards 2012. "This is an amazing book that I recommend to all levels of students as there is something in it for all. It is written in an easy to understand and friendly style that is accessible to anyone has an interest in critical thinking whether they are studying or not. It puts...
