

Brand Atlas: Branding Intelligence Made Visible

Filesize: 5.81 MB

Reviews

I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

BRAND ATLAS: BRANDING INTELLIGENCE MADE VISIBLE

John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, Brand Atlas: Branding Intelligence Made Visible, Alina Wheeler, Joel Katz, "Carrying through Alina Wheeler's trademark of beautiful layout and design, the book takes you on a journey through just about every important element of branding you could think of, from passion to positioning." -The Influential Marketing Blog (May 2011) A company's brand is its most valuable asset. Wheeler takes the most seminal tools used by a wide variety of thought leaders and practitioners and makes the information understandable, visible, relevant, exportable and applicable. With her best-selling debut book, *Designing Brand Identity* (Wall Street Journal, Best-Seller, Spotlight 1/23/2011), now in its third edition, Alina Wheeler reinvented the marketing textbook using a straightforward style to help demystify the branding process. This new offering from Wheeler, *Brand Atlas*, builds on this user-friendly approach to aggregate and simplify the science behind branding with a unique visual teaching method suited for time-crunched professionals. *Brand Atlas* follows the recent YouTube-iPhone-Pecha Kucha era trend toward fast-paced visual instruction by neglecting needless jargon and combining vivid, full-color images and easy-to-follow diagrams to break down branding principles into basic step-by-step concepts that can be immediately applied. This handy reference: Speaks to a broad range of stakeholders in the branding process-from CEOs to designers to brand managers Provides tools to integrate brand throughout the entire customer experience, build relationships based on brand, measure a brand's value, and define a brand strategy Contains essential information illustrated through the use of diagrams With diagrams designed by Joel Katz, an internationally known information designer and a global authority on the visualization of complex information, *Brand Atlas* is a compact, no-nonsense guide that shows how tactical innovation in the design process is crucial to building brand assets.
