A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

BROKEN COVENANT, FALLEN WORLD: THE COVENANT OF WORKS

Narrowpathway Books, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Broken Covenant, Fallen World THE COVENANT OF WORKS The first of five volumes in the series, Covenants of the Almighty. The purpose of this series is to help ordinary Christians understand God s covenants at an easier reading level than most theology, the reading level of those who speak English as a second language. Collegiate language is minimal, colloquial idiosyncrasies are avoided, and illustrations can be universally understood. Difficult points are explained as simply as possible, sometimes from several approaches for readers who may not quickly grasp spiritual concepts. This series views the divine covenants through the lens of the New Testament, especially through the writings of the apostle Paul. For centuries this covenant has been described by theologians as a covenant of works. The Covenant of Works is normally seen as a contrast to the Covenant of Grace that God established through Jesus Christ for man s salvation. Recent debates have questioned these distinctions. This book skips the debate, to avoid putting some readers on the defensive, while making a case for the validity and essential nature of the Covenant of Works. The first part of the book is a Synopsis of Covenant Theology for readers who want an overview of the covenants or need to understand how to bring together the details described in later chapters of the series. This is a survey of main points of the covenants within their historical context. The second part of this first volume explains the...
