

Rohloff Stories

By Barbara Rohloff

Rohloff Sep 2010, 2010. Buch. Book Condition: Neu. 29x21x cm. Neuware - Rohloff Stories - a book from cyclists full of stories which wake the passion for cycling. Following 10 years production of the 14-Speed bicycle gear-hub SPEEDHUB 500/14, the 100,000th gear-unit was hand built before an audience at the Eurobike show in Friedrichshafen. We used this occasion to take a look back to where it all started and kick off our new campaign - 'WANTED-100.000 km', in which we set off in search of the kilometre kings and queens with their high-mileage SPEEDHUBs. The large number of participants now swapped their bike saddles for their desk stools and got to writing. SPEEDHUB users reported their informative and entertaining stories of how they reached the high mileage with their SPEEDHUB gear unit. The book also contains reports from our sponsored riders, our sporting achievements and is rounded off with a very personally written short story over the difficult but successful coming-of-age of the Rohloff AG. An interesting glance behind the scenes which tells the remarkable story behind the story. Last but not least, the technology of the SPEEDHUB is illustrated within the book to give all readers an insight into...

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.
