By John Kelsey

American Association of Woodturners, United States, 2013. Paperback. Book Condition: New. 278 x 212 mm. Language: English . Brand New Book ***** Print on Demand *****.Create great gifts and build turning skills by making holiday ornaments for everyone on your list Here are 19 delightful holiday projects for woodturners of all skill levels, shop-tested projects selected from the pages of American Woodturner, journal of the American Association of Woodturners. Holiday woodturning projects are so popular because they are skill-building and perhaps challenging to make. They are always fun to give, and they are a delight to receive. Better yet, they are unique expressions- no-one will find another at the mall. The skill-building projects in this book include: Two ingenious and lovely angels to hang on the tree or place on a holiday mantel display. Two designs for snowman ornaments, three designs for tree-themed ornaments, and four variations on the classic icicle ornament. A Santa Claus nutcracker with a jaw that really works, along with a plan for Mrs. Santa Claus. Ornamental snowflakes and a string of lights made entirely of wood. A commemorative medallion that can be unique for each recipient. Delightful acorn birdhouses, ornaments from pen-tube kits, hot-air balloons,...
