

Symbolic Computation, Number Theory, Special Functions, Physics and Combinatorics (Hardback)

Filesize: 8.13 MB

Reviews

This ebook will never be simple to begin on reading but very entertaining to see. It is actually rally exciting throgh reading period of time. You wont truly feel monotony at at any moment of the time (that's what catalogues are for regarding should you ask me).
(Trevion O'Hara)

SYMBOLIC COMPUTATION, NUMBER THEORY, SPECIAL FUNCTIONS, PHYSICS AND COMBINATORICS (HARDBACK)

Kluwer Academic Publishers, United States, 2001. Hardback. Book Condition: New. 2002 ed.. 246 x 168 mm. Language: English . Brand New Book ***** Print on Demand *****.These are the proceedings of the conference Symbolic Computation, Number Theory, Special Functions, Physics and Combinatorics held at the Department of Mathematics, University of Florida, Gainesville, from November 11 to 13, 1999. The main emphasis of the conference was Computer Algebra (i. e. symbolic computation) and how it related to the fields of Number Theory, Special Functions, Physics and Combinatorics. A subject that is common to all of these fields is q-series. We brought together those who do symbolic computation with q-series and those who need q-series including workers in Physics and Combinatorics. The goal of the conference was to inform mathematicians and physicists who use q-series of the latest developments in the field of q-series and especially how symbolic computation has aided these developments. Over 60 people were invited to participate in the conference. We ended up having 45 participants at the conference, including six one hour plenary speakers and 28 half hour speakers. There were talks in all the areas we were hoping for. There were three software demonstrations.
