But, if your travel plans call for flying anywhere in Asia, Singapore is a great city for a two or three day stopover; either coming or going. Singapore has both the World's Number One rated Changi Airport, and Singapore Airlines. Singapore is so clean, a person could literally eat off the street; Singapore has some of the best food you'll ever taste in Hawker Centers and Food Courts. Yes, I said food courts! Singapore is filled with eye-popping malls; bronze sculptures by well-known artists line the walkable streets; visit exotic neighborhoods, each with its own ethnicity; jump on the oh-so-easy to use Public Transportation. Singapore also has a plethora of incredibly, luxurious hotels. The Marina Bay Sands Complex is a knockout sight against a skyline filled with architectural masterpieces. Let Travels With Sheila teach you how to Travel the World on a Budget, share exotic locations with you known only to locals, and most importantly, ease your fears about languages, currencies, personal safety and staying healthy.
