The Archangel Gabriel is credited with the most interactions with mortals. He is written about by diverse numbers of religions and cultures throughout the ages, and his identity is unmistakable. Gabriel is The Reluctant Warrior. He is reflective, reserved and sensitive and is heavens leading musician and musical director. Gabriel would prefer to spend his existence leading the choirs of angels in song and celestial music. However, he must respond to the call of duty out of loyalty and obedience to God and Michael, commander of the Heavenly Host. Whenever God requires a fighting force of angels or an emissary to earth Gabriel is called to action. Although completely opposite in personality and motivation to the Archangel Michael, it is Gabriel whom God designates as Michaels second in command and it is Gabriel who most often gets the nod when God wishes to intervene in the affairs of man. This narrative chronicles events such as Satans great rebellion and the expulsion of the fallen angels from heaven, Gabriels relationships with other angels in heaven and his frequent interactions with us on Earth. Here he writes of his role in the ongoing history of Gods creation and gives first hand reports of his experiences as God emissary to man. The Reluctant Warrior takes us through all of Gabriel the Archangels recorded experiences throughout history right up to his ultimate role as leader against the antichrist during the Apocalypse. The Reluctant Warrior presents the history of Gods creation from its early stages until the Second Coming through the voice of Gods most celebrated Archangel. This item ships from multiple locations.
