Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

ANY APPROACHING ENEMY: A NOVEL OF THE NAPOLEONIC WARS

Random House Trade. Paperback / softback. Book Condition: new. BRAND NEW, Any Approaching Enemy: A Novel of the Napoleonic Wars, Jay Worrall, With the stunning high-seas adventure *Sails on the Horizon*, Jay Worrall introduced a bold new hero in the rousing tradition of Jack Aubrey: Charles Edgemont, an ambitious officer in His Britannic Majesty's navy. Raised to the rank of captain for gallantry under fire, Edgemont proved his mettle in the bruising British victory over the Spanish fleet at the Battle of St. Vincent. Now married and in command of the twenty-eight-gun frigate *Louisa*, the young captain sails toward a day of destiny-for himself and for England. The year is 1798. The war between England and revolutionary France has reached a bloody stalemate, with England in the ascendancy at sea and France unchallenged on the Continent, thanks in large part to an unorthodox twenty-eight-year-old general named Napoleon Bonaparte. But the French, secretly amassing a powerful fleet, mean to break the impasse. When rumors of the French preparations leak, the Admiralty dispatches a squadron of seven ships-among them the *Louisa*-under the command of Rear Admiral Horatio Nelson to investigate. Blindsided by a storm of ferocious intensity, the ships scatter across the seas. After the storm subsides, the damaged frigates limp back to the rendezvous point. But there is no sign of Nelson's flagship, *Vanguard*, nor of two other ships of the line. Edgemont fears that the pugnacious rear admiral has pressed on with the mission. Putting his career on the line by disobeying direct orders, Edgemont sets out in pursuit of Nelson and the French fleet on a treacherous voyage along the Tuscan coast. As tensions among the crew threaten to explode into open insubordination or worse, Edgemont makes an unexpected discovery in Naples that may seriously compromise his mission. When the missing French fleet turns...
