Penguin Publishing Group, United States, 2008. Book. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. New from a definite star on the rise. (LINNEA SINCLAIR) My name is Raine Benares. Until last week I was a seeker a finder of things lost and people missing. Now I m psychic roommates with the Saghred, an ancient stone with cataclysmic powers. Just me, the stone, and all the souls it s ingested over the centuries. Crowded doesn t even begin to describe it. All I want is my life back which means getting rid of the stone and the power it possesses. To sort things out, I head for the Isle of Mid, home to the most prestigious sorcery school, as well as the Conclave, the governing body for all magic users. It s also home to power- grubbing mages who want me dead and goblins who see me as a thief. As if that s not enough, Mid s best student spellcasters are disappearing left and right, and I m expected to find them. Lives are at stake, goblins are threatening to sue, mages are getting greedier, and the stone s power is getting stronger by the hour. This could get ugly.
