

Gifted Grownups: The Mixed Blessings of Extraordinary Potentials

By Marylou Kelly Streznewski

John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, Gifted Grownups: The Mixed Blessings of Extraordinary Potentials, Marylou Kelly Streznewski, What is it like to be smarter than 95% of the people you meet? Fifty-four-year-old Alison says, "They told me I was smart and I cried. I wanted to be sexy, or glamorous!" Jean, 38, laments, "I learned the whole job in six weeks, and now I'm bored." Gifted Grownups, Marylou Kelly Streznewski's unprecedented, 10-year study of 100 gifted adults, examines how being identified as a "smart kid" early on affects career choices, friendships, and romantic pairings later in life. Why do some talented and gifted people become Mozarts and Einsteins or corporate chieftains, while others drop out of school, struggle to hold down jobs, or turn to self-destructive behavior? What are the signs of giftedness, its pitfalls, and its promise? Marylou Streznewski provides answers to these and other questions, and creates an intriguing picture of what it is like to have an accelerated mind in a slow-moving world. Traditionally, the gifted were measured in terms of intelligence only, and anyone with an IQ score higher than 130 was automatically grouped in with that misunderstood minority. Recently "giftedness"...
