Furthermore, there is an Integral Total Management checklist giving a 360-degree feedback to the topic under all management relevant aspects. , abstract: If you take the words of a former General Electrics (GE) employee to define strategy, William E. Rothschild said, What do you want to achieve or avoid The answers to this question are objectives. How will you go about achieving your desired results The answer to this you can call strategy. This statement not only highlights the need for strategy but also the need to bring strategy to fruition. Companies should not only devise strategy but also successfully clarify and execute their strategies. This means that a company has to be able to measure its strategic success. Unfortunately, company strategy is not always transparent or understood in the same way by a companys key players....
