Metropolitan Books, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for *The Checklist Manifesto* "I read *The Checklist Manifesto* in one sitting yesterday, which is an amazing tribute to the book that Gawande has crafted. Not only is the book loaded with fascinating stories, but it honestly changed the way I think about the world. It is the best book I've read in ages." Steven Levitt, author of *Freakonomics* "Few medical writers working today can transmit the gore-drenched terror of an operation that suddenly goes wrong a terror that has a special resonance when it is Dr. Gawande himself who makes the initial horrifying mistake. And few can make it as clear as he can what exactly is at stake in the effort to minimize calamities." *The New York Times* "This is a brilliant book about an idea so simple it sounds dumb until you hear the case for it. Atul Gawande presents an argument so strong that I challenge anyone to go away from this book unconvinced." *The Seattle Times* "Fascinating . . . presents a convincing case that adopting more checklists will surely help." *Bloomberg News* "A vivid, punchy exposition of an intriguing idea: that by-the-book routine trumps individual prowess." *Publishers Weekly* Praise for *Better* "Gawande manages to capture medicine in all of its complex and chaotic glory, and to put it, still squirming with life, down on the page. With this book, Gawande inspires all of us, doctor or not, to be better." *The New York Times Book Review* "Gawande is unassuming in every way, and yet his prose is infused with steadfast determination and hope. If society is the patient here, I can't think of a better guy to have our back." *The Boston Globe* Praise for *Complications* "Remarkable . . . Brings to modern high-tech medicine the...
