## ADVANCES IN IDENTITY THEORY AND RESEARCH

Book Condition: New. Publisher/Verlag: Springer, Berlin | The concept of identity has become ubiquitous with the social and behavioural sciences in recent years, cutting across disciplines from psychoanalysis and psychology to political science and sociology. Identity theory, initially outlined by Sheldon Stryker, proposes a concept of identity based on the symbolic interaction of the social role and personal identity. By seeing all of these identities theoretically isomorphic, but having different bases and sources, a unification of the different uses of...
