

Deserter: A Hidden History of the Second World War

Filesize: 3.95 MB

Reviews

Complete guideline for ebook lovers. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way in fact it is only right after i finished reading this book through which in fact transformed me, alter the way in my opinion.

(Montserrat Runolfsdottir)

DESERTER: A HIDDEN HISTORY OF THE SECOND WORLD WAR

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Deserter: A Hidden History of the Second World War, Charles Glass, A poet, a gangster and an agent of the Resistance; 'Deserter' details three astonishing lives shaped by the decision to flee during WWII. During the Second World War, the British lost 100,000 troops to desertion, and the Americans 50,000. Commonwealth forces from Canada, Australia, New Zealand, South Africa and Britain's colonial empire also left the ranks in their thousands. But, surprisingly, only one WWII deserter was executed for his crime. In 'Deserter', veteran reporter and historian Charles Glass gives voice to the powerful stories of three soldiers, two Americans and one Brit, who all ran from the conflict to meet with distinctly different fates. He follows each into the heat of battle, exploring the pressures that formed their decisions and the lasting impact of their choices. The result is a highly emotional and engaging study of an under-explored area of World War II history.
