Like a good city, Postmodern Urbanism can be read from many perspectives as a rich conversation of world views, languages, and artifacts. . . . Its a generous and thoughtful piece of scholarship which is unlikely to be superseded. -Charles Jencks Since the 1960s, many architects and urban planners have reacted against the drab universalism and inhuman scale of modern architecture and urbanism, seeking instead to recover a sense of community and place. It is apparent to these architects and planners, as well as segments of the general public, that something needs to be done to improve the physical landscape and the sense of desolation it arouses. Efforts to do so have been grouped under the rubric postmodern urbanism. While this late- twentieth-century quest for meaning has elicited nostalgia for cities of the past, it has not been accompanied by a desire to relinquish technological innovations that raise the standard of living, or the pursuit of progress and modernity. Postmodern Urbanism examines these important and complex issues that directly affect our cities and neighborhoods in a book that has been widely heralded for its clarity...
