Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Houghton Mifflin. Paperback / softback. Book Condition: new. BRAND NEW, The Firekeeper's Son, Linda Sue Park, Julie Downing, In Korea in the early 1800s, news from the countryside reached the king by means of signal fires. On one mountaintop after another, a fire was lit when all was well. If the king did not see a fire, that meant trouble, and he would send out his army. Linda Sue Park's first picture book for Clarion is about Sang-hee, son of the village firekeeper. When his father is unable to light the fire one night, young Sang-hee must take his place. Sang-hee knows how important it is for the fire to be lit-but he wishes that he could see soldiers . . . just once. Mountains, firelight and shadow, and Sunhee's struggle with a hard choice are rendered in radiant paintings, which tell their own story of a turning point in a child's life.
