Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Catholics and the Public Schools Is it best to retain the Bible in our public schools? This is a momentous question; evidently felt to be so, for the mere mention of it moves men deeply; it stirs their very blood. How can it be decided? The answer is plain. In this country the people are sovereign. Their sentiment soon crystallizes into law. What the people resolve upon will be done. This question must find its solution at the bar of public opinion. In some other countries it may be an open question whether the State shall make provision for the education of its boys and girls. With us it is not. Education has become a part of the machinery of the American Republic. The method, also, as well as the purpose, is settled. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
