Life is crazy and hectic for most of us. We re surrounded with personal and family obligations, jobs, fitness programs, virtual mountains of email, not to mention videogames, TV, smartphones, social networking, and millions of things to check out on the web. With all those distractions, how does an aspiring author find time to write? And when you do find the time, how do you make the most of it? Award-winning and #1 international bestselling author Kevin J. Anderson is one of the most prolific authors in the business. He has published over 125 novels-an average of five novels a year, every year, for the past quarter century. Anderson has taught numerous writing seminars and lectured on productivity, and here he shares his tips on how to find the time to write, and how to make the most of that time.
