Reviews

This publication is wonderful. It can be rally fascinating through reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

EXERCISES ON THE SIDE HORSE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English. Brand New Book ***** Print on Demand *****. Excerpt from Exercises on the Side Horse The above work should have a place in ever public library in this country, as also in the libraries of public schools and private houses. The author of America's National Game is conceded, always, everywhere, and by everybody, to have the best equipment of any living writer to treat the subject that forms the text of this remarkable volume, viz., the story of the origin, development and evolution of Base Ball, the National Game of our country. Almost from the very inception of the game until the present time - as player, manager and magnate - Mr. Spalding has been closely identified with its interests. Not infrequently he has been called upon in times of emergency to prevent threatened disaster. But for him the National Game would have been syndicated and controlled by elements whose interests were purely selfish and personal. The book is a veritable repository of information concerning players, clubs and personalities connected with the game in its early days, and is written in a most interesting style, interspersed with enlivening anecdotes and accounts of events that have not heretofore been published. The response on the part of the press and the public to Mr. Spalding s efforts to perpetuate the early history of the National Game has been very encouraging and he is in receipt of hundreds of letters and notices, a few of which are here given. Robert Adamson, New York, writing from the office of Mayor Gaynor, says: - Seeing the Giants play is my principal recreation and I am interested in reading everything I can find about the game. I especially enjoy what...
